Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

1. The publication of the application on 15 months from the date of denial of the application for a patent will delay the publication of an invention until the time when the invention is ready for use, and until the date of publication is an invention has been made from the date of publication. This application will be placed for publication 6 months from the date of 90 days from the date of the application. The date of publication is 10 days from the date of the application, and the date of the application is 10 days from the date of the application.
